The Inspiration

Deep calls to deep, Deep answers deep

Deep reaches out to deep, Deep touches deep

There is a longing only you can fill, a raging tempest only you can still,

My soul is thirsting Lord, to know you as I'm known

Drink from the river that flows before your throne,

Take me deeper, deeper in love with you, Jesus hold me

close in your embrace, Take me deeper, deeper than

I've ever known before, I just want to love you more

and more, how I long to be deeper in love (from

Deeper in Love by Don Moen)

Scripture :

“Deep calls to deep in the roar of the waterfalls” (Ps 42:7)

“.... he who believes in Me, from his innermost being will flow rivers of living waters” (John7:38)

Torrents of water from the waterfalls above cascade down the rocky cliff into a stone pot placed on the bedrock below filling and overflowing it A reflection of longing for deeper and more intimate relationship with the One who created me and the magnificent waterfalls. As I wait and pour out my heart like water in prayer & worship before Him, He fills me to overflowing with His living waters to refresh & energise me. Anchored to the Rock of my salvation, the roaring waters cannot harm me for on Christ the solid Rock I stand. In His glorious presence, I drink from His streams of rejoicing and my cup overflows
