STATEMENT IN REGARDS TO COVID-19 CASE 160

The Charis Covid Task Force would like to make a statement:

“We have been made aware that Covid Case 160 is one of our Sunday School student who last attended Sunday School on 23 February. He has not been to church since that day. He is linked to the Safra Jurong cluster via an extended non-Charis family member.

We have not been contacted by MOH.

We urge all members not to be unduly alarmed but to continue to take precautions and maintain a high level of personal hygiene. Parents are advised to monitor the health of young children.

Let’s pray for God’s protection and mercy. May His peace which surpasses all understanding guard our minds and our thoughts in Christ Jesus.”
