The Inspiration:

Elaine loves autumn with its vibrant colours. She has painted several art-pieces with autumn themes.

This painting is about an old loving couple strolling through the woods sharing an umbrella. They return to the same park year after year to relive the Sweet Memories they had when they were young.

作品灵感:

Elaine翁诗惠喜欢秋天，以及秋天鲜艳的颜色。她已画过几幅以秋天为主题的画作。

这幅画描绘了一对恩爱的老夫妇，共享一把阳伞在树林中漫步的情景。他们年复一年回到同一个公园，重温他们年轻时的美好时光。

The Artist: Eng Shi Hui Elaine

Elaine is a recipient of Charis' Hope Fund since 2019. She suffers from Cerebral Palsy since birth.

Elaine tries with great effort to draw using her mouth, not being held back as a wheelchair user. She has a strong determination to complete her assigned tasks. It takes about three weeks for her to complete an art-piece. Her paintings are full of bright colours. She also loves to wear colourful earrings and clothes.

Elaine is in the Boccia team and represented Singapore for competition at Dubai in December 2017. (Boccia is a precision ball sport played by people with cerebral palsy and also athletes with other severe disabilities affecting their motor skills). She loves this sport as she can work closely with her assistant, who is her father.

画家：Elaine 翁诗惠

Elaine 诗惠自出生起就患有脑瘫。自2019年，颂恩堂通过 社会关怀的“希望基金”在帮助她。

诗惠虽然需要使用轮椅，但不被轮椅阻碍，非常努力地用嘴来作画。她有完成指定任务的坚强决心。每一幅画她大约需要三个星期的时间。她的画色彩鲜艳。她还喜欢戴色彩鲜艳的耳环和衣服。

诗惠参与地滚球/博奇亚的运动，是代表新加坡的队员，曾经在2017年12月参加在迪拜举行的比赛。（地滚球/博奇亚是一项球类运动，由脑瘫患者和其他患有严重缺陷，运动能力受影响的球员参与。）她喜欢这项运动，因为她可以和她的助手——她的父亲，密切合作。
