RESPONSE TO 2019 NCOV – DORSCON ORANGE**

Dear Charisians,

In the past few days, we have seen the DORSCON level being raised to orange, and have heard the news that confirmed cases have been linked to two churches.

Charis has already introduced precautionary measures at our worship service on 9 Feb 2020, including:

- Conduct temperature checks for all persons entering the sanctuary and the Sunday School.
- Anyone with a fever will be asked to move to a separate room to monitor their well-being and prevent any possible spread to other worshipers.
- Requesting and recording travel history and contact details of persons entering the sanctuary and the Sunday School.

The Charis taskforce is assessing the situation, and will be releasing our Charis specific response soon. We would like to share some responses from the National Council of Churches Singapore, and the Methodist Church in Singapore for members' information.

We would also like to encourage members to:

- Continue to trust in God, remain calm, do not over-react;
- Continue to follow the health advisories and practice good personal hygiene; wear a mask and seek medical attention if unwell;
- Pray for our leaders to have wisdom; pray for those who are ill; pray for our healthcare workers.

## **应对2019新型冠状病毒疫情策略 - 橘色级别的疾病爆发应对系统**

亲爱的 颂恩弟兄姐妹，

这几天，我们看到DORSCON 级别已被提高到了橙色，并且也收到有关当局宣布的消息证实已有两间教会与确诊的个案有关。

颂恩堂已于2020年2月9日在我们的崇拜场所实行了预防措施，包括：

- 为进入圣殿／崇拜厅和主日学的所有人员进行温度检查。
- 有发烧迹象的人都将要求转移到单独的房间里，密切留意跟进他们的健康状况，防止可能会传播到其他参与崇拜的弟兄姐妹。
- 请求并记录进入圣殿／崇拜厅和主日学的所有人员最近可有出国的资料与他们的联系方式。

颂恩应对措施工作组正在评估情况，并将很快发布任何应对措施。这里与大家分享新加坡全国教会理事会和新加坡卫理公会的通知。(请参阅附件)我们要鼓励弟兄姐妹：

- 继续信靠上帝，保持镇定，不要过度反应；
- 继续遵守健康指示并保持良好的个人卫生；戴口罩，如果有不适，就需寻求医疗；
- 为我们的领袖代祷，求上帝赐智慧；为病者代祷；为医护人员代祷。
